

Butterfield Acres Farm

...the REAL Farm Experience!

www.ButterfieldAcres.com

Want some very engaging outdoor fun (and learning!) for your Summer Program ?

..... **VISIT THE FARM !**

Many leaders tell us their Butterfield Acres field trip is their kids' favorite! Programs are designed for maximum participation, fun, and we even sneak in some...learning!!!. Fresh air, wonderful farm animals, action-packed and fun.

We never like to brag, but... each year we receive several Parent's Choice Awards from Calgary's Child Magazine and we've been rated as a GEM SITE "not to be missed" by the AMA's head office.

*So...add a little life (...farm life!!) to your Summer program
...bring your 'kids' out to Butterfield Acres!*

July and August: Real Fun on the Farm ! Farmyard visits with all the traditional critters!

And... try all the things you'd do if you lived on a farm: hunt for fresh eggs, check out the HUGE goat bridge, wriggle your fingers into some sheep's wool, check out the cutest bunnies and chicks in town, romp with some little lambs and kids, try some milking, and much more! Even do a tractor ride! Very hands on! Good supervision required (3:1 ratio recommended). Make the day special ..order a Chop 'n Cone for each child to feed the animals 4 for \$1.00!

2 hr program: \$9.99/child, \$4.99/adult. Choose: 10:00am - noon or 1pm - 3pm
Add 45 minute picnic time \$1/child.

4 hr program: Learning from Nature in the back pasture! The Horseshoe Trail (it has many activity stations like the farmyard), then do the 2 hour program as above, picnic time between included.

\$11.99/child, \$4.99/adult.

Choose: 10-2pm or 1030-2:30

*Non-refundable deposit of \$1.00/child for all programs. Minimum group size is 15 children.
GST is added to the above prices.*

Ready to organize this field trip?

Page 2 has our Order Form which will give us all the information we need to either book you in, or collect enough information so we can best answer specific questions for you!
